Trouble at the barrier?

Scan the QR code at the barrier entry machine and the barrier arm should open or press the intercom for assistance.

Finding your carpark

As you drive down Tom Pearce Drive towards the international terminal and the Transport Hub, look for the entry lane to Premium on your right, drive up the ramp to Level 2. Park in any of the parking bays on Level 2 or above.

Please note: If you choose to use a different carpark, we cannot guarantee the parking costs indicated in your booking confirmation.

Accessing your carpark

The park you have pre-booked features Licence Plate Recognition (LPR) at the entry and exit of the carpark. Simply drive up to the barrier arm where the camera will capture your licence plate details and the barrier arm will open. The same will occur when you exit.

Please do not take a physical paper ticket.

It is important that you arrive in the vehicle that you registered the licence plate for in your original booking. If you need to change the vehicle details please go to [Manage My Booking](#) and change the licence plate number to that of the vehicle you are now arriving in. If you don't make the change, you will still be able to enter the carpark as a casual parker, however new charges will apply at the Drive up Tarriff rates. Check our T&Cs for details.

Please note: If you exit the carpark later than your confirmed booking time, additional charges may apply.

Below is your official tax receipt.

Tax Receipt

Parking product	Cost
Premium - covered, L2-L4	\$497.00
Tax invoice	Total
Ref: 5PFKT	\$497.00
